Forster Foundation

Dear Mr. Forster,

Thank you very much for your past support of Yad Sarah. Last year, your Miracle Wheelchair Mission provided Yad Sarah with 257 wheelchairs.

As you know, Yad Sarah's mission is to help families dealing with disability, injury, illness, and infirmity. To this end, we have been lending medical equipment to those in need for more than 40 years. Our organization now numbers 110 branches throughout Israel. To best serve our clients, we maintain a large inventory of medical and rehabilitative equipment, but we are always in need of new and varied equipment in order to meet the specific needs of our clients and to replace older equipment.

Of course, helping families care for children with disabilities is very dear to our hearts. The Miracle Wheelchair Mission provided us with very special wheelchairs that help parents with children with very specific problems, who in many cases have nowhere else to turn. Thanks to people like you, we can help them as well.

The wheelchairs have been distributed to our many branches and are available to anyone who needs them. Your assistance has positively impacted the quality of life of many children and their families.

Best regards,

Rachel Dover
